

VETERANS BENEFITS ADMINISTRATION REGIONAL OFFICE

The Veterans Administration's Regional Benefit Office in St. Louis, Missouri, offers services including education, counseling, and vocational rehabilitation.

AVANT ACOUSTICS provided the following services:

- Audio-visual systems design

Project Highlights:

AVANT ACOUSTICS designed the audio-visual systems for a renovated 155,000-square-foot regional office facility. The systems include the following:

- A recording, presentation, and videoconferencing system for the office's Professional Development Center
- Videoconferencing systems for multiple conference rooms and training rooms of various sizes and configurations
- A videoconferencing system for the hearing room
- Various presentation and audio conferencing systems for huddle spaces, job labs, offices, and other locations
